New Jersey--On 11/20, we mailed 8,000 letters to responder smokers urging them to write letters to the governor and their state senators and assembly members. Each district was apportioned about 200 smokers who should write their
officials in protest of the 15-cent per pack tax idea that has been floated by the governor's office. Legislative hearings on new tax solutions to the rising
hospitalization costs will be on November 30 and December 4.
